About the tour

Begin Group offers you a distinctive opportunity to meet with some of the most talented and motivated students in the region, right at their own schools.

Our custom-made high school tours allow you to visit **2-3 of the leading international schools** in every city, spending approximately **45 minutes** in each school.

Participation format may vary depending on the conditions of each individual school. This could involve either having a personal table at the main hall/sports hall alongside your colleagues from other universities or giving an individual presentation in front of high-school students in a lineup with presentations from other representatives.

Exhibitor's package includes

✓ Communication opportunities:

- Access to the top schools of Kazakhstan and Azerbaijan within arranged period
- Pre-tour promotional campaign tailored to local marketing specifics
- Communication with local educators and counsellors, networking opportunities

✓ Logistic and organisational support:

- Transfers to and between schools
- Freight advice and full preparation assistance
